Graduates follow up

UCLM

- **Employment Promotion and Information Centre –CIPE-**
 - EIL 2003
 - Graduates in 2000
 - Population: 4279
 - Sample size: 1093
 - Error: 2,56%
- **ANECA –Quality Evaluation National Agency-**
 - Several degrees 2000-2002

Difficulties

UCLM

- Methodological difficulties:
 - Mailing questionnaire...
 - Hard to find a significant sample for every degree
 - A big percentage of the graduates are very difficult to be found 3 years later

Good points

UCLM

- Great reception among faculty and local community
- Strong media coverage
- Results were very positive in several factors such as:
 - Job satisfaction
 - Role of degree to get a job

Next

- EIL 2004
- Satisfaction questionnaire
